Monday 6 December 2021

Hello families and friends,

Our final newsletter for the year will come home next week showcasing our Presentation Day news. This is an interim newsletter as we'd like to acknowledge and congratulate our award winners from Week 8 and Week 9, show Lime class news and draw attention to some dates to note for the end of the year. Don't forget to get your tickets for the Knights raffle as a winner will be drawn at the Friday assembly.

WEEK 10

Tuesday, 7th December Teacher Strike
(School Non-Operational)

Thursday, 9th December SISA Sports Day

Friday, 10th December Presentation Day

Attendance at the Presentation Day will be restricted to staff and students only due to COVID. Photos will be posted on the school Facebook page.

WEEK 11

Tuesday, 14th December Obstacle

Thursday, 16th December Year 6 Farewell
Students Last Day of School

Lime Class News

It has been a very busy and creative time for Lime class since our return to school.

We have enjoyed reconnecting with each other and sharing our daily experiences. We continue to focus on our sensory and creative development and are delighted with the process the Lime students have made emotionally and socially.

Our favourite time of the week has very quickly become Wednesday in the Wild. Lime class has enjoyed being out exploring all that nature and outdoor learning has to offer us. We have worked in the garden, investigated shapes and maths concepts in nature, explored colours, climbed, jumped and run, danced and just had lots of fun. We have also learnt how to care for our environment and played some old fashioned games

like marbles that help us to learn skills like turn-taking and sharing.

In the classroom, we continue to focus on hands-on, play-based experiences. Ms McGuire and I are so proud of the development we have observed in the students reading and writing skills. They continue to take on challenges with a positive mindset, know that learning takes practice.

We are excited for the rest of our journey in 2021 and know that the sky is the limit for Lime class in 2022.
